Lecture-project set up
in 2013 by UCLouvain
and the NGO Louvain
Cooperation

Lessons

50 scientists and
academics from global
North and South

Transdisciplinary Panel

240 students/year
Group of 8 students
(4 Belgian, 4 local)

Portfolio

Description

Lecture-project set up in 2013 by UCLouvain and the NGO Louvain Cooperation

Lessons

Not a development cooperation project, nor a humanitarian project

50 scientists and academics from global North and South

Transdisciplinary Panel

Expenses

240 students/year
Group of 8 students
(4 Belgian, 4 local)

Portfolio

Global Education
Innovation Award

Goals

Education

Selection?

Motivation

**Who are
Students?**

How are students selected?

547 Belgian students

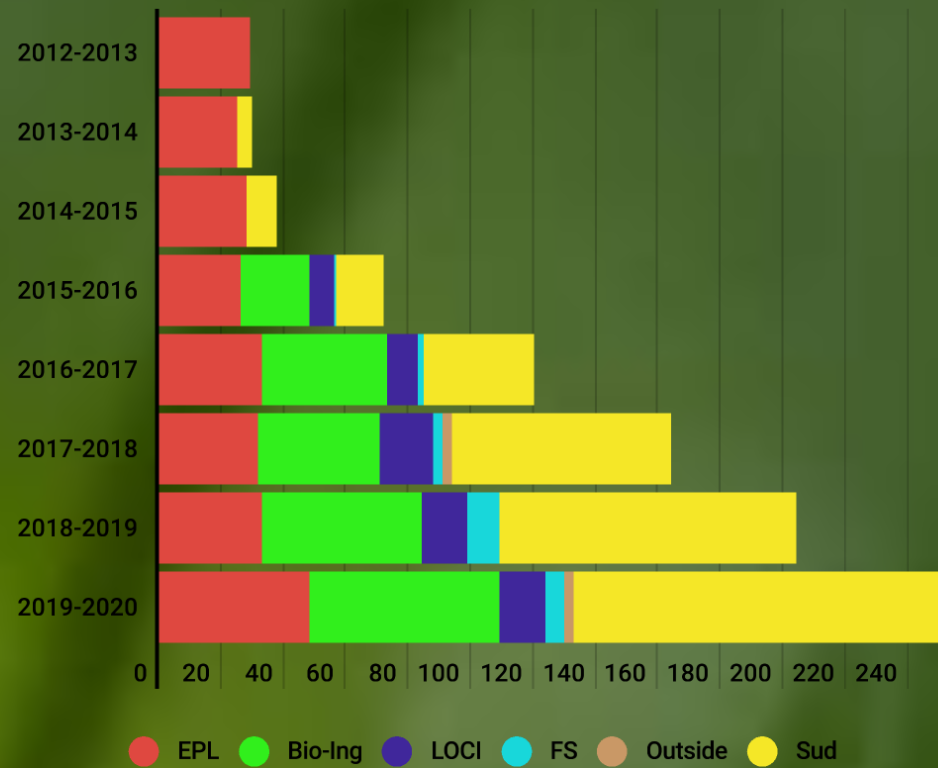

350 students from the global South

130 organizations and small firms

15 countries

Trends

- **Concrete** approach
- **Way** to pay their debts

Checklist of seven historical patterns
describing representations and commitments
(V. Andreotti, 2011)

1	Hegemonic
2	Ethnocentric
3	Ahistorical
4	Depoliticized
5	Self-congratulatory
6	Un-complicated solutions
7	Paternalism

Partnerships

Vision of
progress

Pedagogical
process

Decolonization
of knowledge

Clarify the goals

Between students

Two tools

Between universities

Vision of progress

- The vision of progress must be discussed
- Confront their limits in the field
- Interview experts from the Global South

Unique story

**Local colour vs
help people**

Pedagogical Process

**Deculturalize
the
meeting**

**Develop a
reflective
approach in
the
Portfolio**

**Encourage
socio-
cognitive
conflicts
and their
resolution**

**Develop
common
lessons for
students
from North
and South**

Education

A satellite image of Earth showing a mix of green landmasses, blue oceans, and white clouds. A semi-transparent green rectangular box is positioned in the upper-left quadrant, containing the text 'Thank you for your attention' in white. Another semi-transparent green rectangular box is located in the lower-right quadrant, containing contact information in white.

**Thank you for your
attention**
